### Gravity Fed Convenience and Efficiency

Simply load in a series 5 to 7 equally sized loaves of bread. Slicing can be carried out non-stop or per individual loaf, depending on your requirements. The CHUTE's traction lever will help to automatically push the last loaf into the slicing blades. When finished, the optional bag opening blowing device can be folded back allowing for easy storage in a small space. The CHUTE Bread Slicer will save you a great deal of time and physical effort.
